In forwarding herewith in original the report No M C 81/47-48 dated 4th December 1947 received from the President, Honnali Municipality on the subject noted above, I have the honour to state as follows

The Minor Municipal Council, Honnali at its meeting held on 2-12-47 considered the question of converting the said Municipality into a Town Municipality when a resolution was passed to the effect that in view of the fact that Honnali Town consists of a population of over five thousand and its annual normal income is over twenty thousand rupees, it might be converted into a Town Municipality - vide resolution copy enclosed for favour of reference

It is reported by the President that the financial condition of the Municipality is sound and that it has a closing balance of Rs 14,175/- at its credit on 1st July 1947 in addition to the investment of Rs 14,000/- held under S B Accounts and National Savings Certificate

The present Municipal Council was reconstituted for a period of three years with effect from 12th October 1947 The Sub - Division Officer, Shimoga and the Municipal President request that the aforesaid resolution of the Municipal Council might be recommended

In the circumstances, I request that orders of Government may kindly be obtained to the proposal of the Honnali Minor Municipal Council for converting it into a Town Municipality as it satisfies the conditions imposed in Section 5(1) of the Town Municipalities Act

Sir,

In the meeting held on 2-12-47, the Municipal Council have resolved unanimously to request the Deputy Commissioner, Shimoga District to recommend to Government of Mysore to Convert this Minor Municipal Council, into a Town Municipal Council

The Population of this town is 4648 as per census of 1941 Since then the population has increased considerably and is at present more than 5000 beyond doubt. The income of this Municipality is more than Rs 20,000 per year the expected receipts this year are Rs 23,000 as per Sanctioned budget The finances of this Municipality are quite sound with a closing balance of Rs 14,175/- as on 1st July 1947

In addition to the Current account of Rs 14,175/- as on 1-7-47, a Sum of Rs. 9000/- has been invested in S B account and a Sum of

P T O

Rs 5000/- is invested in purchase of National Savings Certificates.

Since the finances are sound and the population of this town is more than 5000, the request of the Municipal Council deserves a very Sympathetic Consideration

After electrification and water Works started, and also with a Municipal High School ever increasing in its popularity, this town is sure to become very prominent in this District

I recommend that the resolution of this Municipal Council may kindly be got Sanctioned.
